

CAPABILITIES STATEMENT

COMPANY OVERVIEW

MCP Computer Products, Inc., a Woman-Owned Small Business (WOSB), is a single source provider of leading-edge technologies and deployable solutions to the federal government. We partner with leading manufacturers through secure supply chains while maintaining a network of established relationships and contract vehicles. We achieve this through our strategic partnerships and promote change that will move your agency closer to its goals with significant savings.

MCP SOLUTIONS FOR FEDERAL AGENCIES

MCP assists government agencies with the most sophisticated IT asset purchasing, long term planning, technical solutions, project management, and compliance reporting. Adhering to the latest government compliance and standards, we prioritize the security of the supply chain with proactive management deliverables, an active SCRM, and an active CMMC plan. This allows MCP to meet the needs of secure classified customers and agencies with highly interactive requirements.
